Phone # _____ **Account #** _____

Village of Jackson Utility customers in the Village & Town of Jackson who are new homeowners and builders may receive a credit from their Sewer Utility bill for water used, to establish a new lawn during the **FIRST** year of construction, or occupancy and for **ONE GROWING SEASON ONLY**. The user will be billed for all of the water used, but will receive a sewer credit up to $50 per billing quarter with a maximum of $100 total for lawn installation credit. The purpose of this policy is to encourage the establishment of good quality lawns within the Village and Town of Jackson. Lawn Water in credits will not be honored for any lot or site until a certificate of occupancy has been issued for the residence and is occupied by an owner or tenant.

To receive this credit, you MUST comply with the following:

Prior to watering your lawn or preparing the seed bed, you **MUST** read and record the meter numbers. After completing each watering, you **MUST** read and record the new numbers, and complete the subtraction in the form below. No other form will be accepted for this credit. If you do lose or misplace this form, obtain another one from the Village Hall.
