Subject: Weekly Update

Police Department

Fairly routine week. No major cases.

The 2015 Ford is out for striping. The equipment should be installed next week.

It's rummage sale weekend. Temporary no parking signs were posted early Friday morning on Reynolds, Western, South, and along the curve of Glen Brooke south of Glen Hill. Extra coverage is scheduled for Friday and Saturday, with some overtime necessary on Saturday. People were already parking in front of fire hydrants along Glen Brooke Drive Friday morning. We have an adequate supply of parking tickets.

Officer Gerke returned from the long bike trip in good shape.

I hope to meet with the Culvers management next week about Custard with the Cops scheduled for June 1st from 4:00 – 7:00 p.m. We'll be outside showing kids a squad car and handing out trinkets, and inside "running" orders to the tables. \$1 single scoop cups and cones will be sold.

Fire Department

Tuesday morning Chuck and Jim presented a fire safety program to twelve three and four-year olds and two teachers at Morning Star.

Ambulance 1250 (the one for sale) is not going out quietly. It is scheduled to be looked at today as it is running very roughly.

Joint Parks and Recreation

Rummage . . . Rummage . . . Rummage – tomorrow (Saturday, May 16th.) Maps are available at the East Side Mart, Village Mart, Main Street Station, and the Community Center. There will be two Goodwill semis located at Hickory Lane Park for donations of items.

The softball leagues began this week. The Toro Sand Pro Ball Diamond Groomer has been a welcome addition for efficiently readying the diamonds for play.

Register TODAY for the "Jackson 5k – Run/Walk with a COP" on Saturday, June 13th. It's for a great cause. All proceeds benefit the "Friends of Jackson Joint Parks & Recreation" and "Camp Hometown Heroes!" The Run finishes in Jackson Park where you can have a great time and stay to enjoy the pancake breakfast, music, car show, and the fun of Action in Jackson!

Don't forget the "Friends" meeting Tuesday, May 19th. Everyone is welcome to attend.

Building Inspection

Another house on Main Street was found to have roots in the sewer lateral. It was discovered during the property maintenance inspection.

The building permit for CNR was released this week. Requests for permits have also come in this week for two single family homes and one duplex.

Public Works

Brian attended the 2015 Spring American Public Works Association Conference held in the City of Sheboygan. Topics included Leadership and Employee Engagement, and WDNR Program Updates.

The Splash Pad is being prepared for the season to open on Saturday, May 23rd.

The brand new bleacher in Jackson Park has been damaged by vandalism. A police report has been filed.

Clerk/Treasurer

Steady and routine this week.

Administrator

Documents from the Village of Jackson's First Set of Requests going back to February 24, 2015 were received this week from the Town of Jackson in their lawsuit against the Village.
